EXPERIENCE:**February 2018 – (Around 1 year)****Manama, Bahrain****Freelance Software Developer <http://www.igdevelopers.com/>**

- Developing modern and responsive websites and web applications on multiple platforms: CMS, HTML, CSS, JAVASCRIPT, REACT, LARAVEL
- Consulting clients to outline website goals, illustrate wire frame, and site functionality, training staff on web application functionality
- Creating Web pages and applications as per the customers requirements
- Managing websites content updates, debugging

Aug 2014 – Dec 2018 (4 years 4 months)**Manama, Bahrain****Volvo Passenger – Sales Supervisor**

- Create Sales campaigns mostly through digital channels
- Manage Volvo Bahrain Social media accounts
- Managing Sales Team to achieve monthly/annual sales target objectives

My main accomplishment on this role was getting promoted to Supervisor position overseen team of salespeople. During that period I have increased the annual sales revenue by almost 70%, I managed that with Volvo introducing a new models and we were able to capitalize on that opportunity.

Sep. 2012 – June 2014 ()**Manama, Bahrain****Tag Heuer Boutique - Store in Charge**

- Attending customers and other sales related activities

Nov. 2009 – Aug 2013**Chicago, Ill****Ford Passenger – Sales Executive**

- Attending customers and other sales related activities
